MRS. BILLIE CARVER

Dedication

MRS. BILLIE CARVER, one of the Junior Class Sponsors, one of the counselors of the school, the Home Economics teacher, and sponsor of the Future Homemakers of America.

On the title page of this yearbook appear the words "Published by the Senior Class..." Though these words are sometimes overlooked, our graduating class takes advantage of them in making our dedication. The Senior Class of Bethel Hill High School dedicates the 1960 HILLTOPPER to MRS. BILLIE CARVER. Mrs. Carver has pulled our class through our Junior year and aided us with our Junior-Senior Banquet in every way possible. She has been a friend to each of us. She has chaperoned many dances for the students of our school. From the Seniors to Mrs. Billie Carver, we sincerely say, "Thanks!!"

As you ride along the highways at 8:00 in the morning you may see such a scene as we wait for the bus. Time is very dear to everyone. Through the pages of this book, we shall strive to bring to you some of our activities at various times during the day. Be sure to check your clock to see if you are on time.

At 8:30 in the morning we gather on the steps to discuss the events of the previous night before entering classes. Following our informal gathering, we go to class to begin our day with a short devotional period.

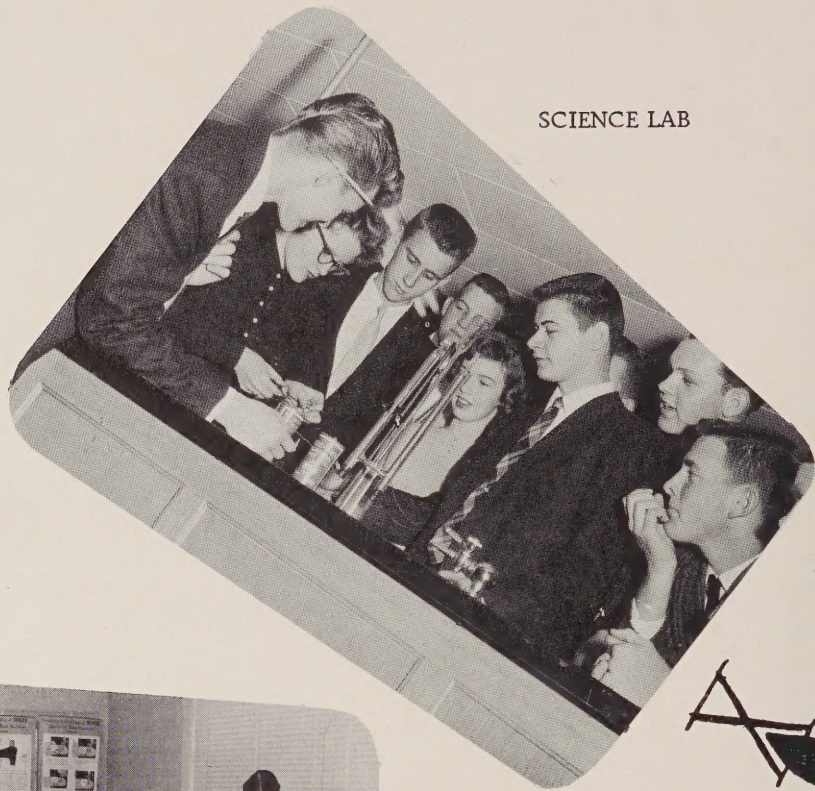

Sometimes at 9:00 in the morning, we gather in the auditorium for an assembly consisting of a chapel program and a short devotion.

"RING DAY" FOR SENIORS

At 11:00 in the morning there is a mad rush to the lockers before the bell rings for the next class. Some lockers are tidy, others are littered. What difference does it make, just so we are on time for the next class?

At noon we race to the cafeteria,
rain or shine, to take a break and enjoy
pleasant company with our friends.

By 1:00 in the afternoon
we are ready to stop, relax,
and enjoy our ice cream dur-
ing the short break.

When 2:00 comes each day,
you may find us in the study hall,
trying to catch up on homework or
trying to get in a conversation or
two.

At 2:30 some of the Fresh-
men enjoy their physical edu-
cation period outside playing
volleyball.

SCHOOL'S OUT!!!

PRINCIPAL'S MESSAGE

Time is a wonderful gift to all of us. These past twelve years spent in the classrooms and around the school have been valuable ones, we hope. I sincerely wish for each of you success in every field of future endeavor. I have faith, great faith, in you as leaders of tomorrow. You will carry worthily on the traditions of our democracy. May the training you have received here at Bethel Hill High be of great value to you in the years to come. May this yearbook remind you of the many cherished memories which we share together. It is my final wish that you dedicate your lives to the ideals which we have jointly approved here at Bethel Hill High.

As members of the Senior Class of Bethel Hill High School, we feel it would be most fitting for us to recognize students from the upper three classes who have excelled in work and play. We are, therefore, honoring them as capable school leaders, and outstanding citizens of our school and community. These students have been outstanding in the 1959-1960 school year and have achieved recognition in scholarship, leadership, or personality.

Miss Helen Stigall, former queen, as she crowns Miss Dorothy Wilson, Queen of our Hearts. Attending the Queen is her escort, Maid of Honor and the crown bearer.

Students enjoy dancing, after the crowning of the Queen.

The theme for our Junior-Senior Banquet was "Song In My Heart". To start an evening of fun, a delicious supper was served in the cafeteria. During the meal various forms of entertainment were offered for the pleasure of the guests. To highlight the evening, we returned to the beautifully decorated gymnasium for an evening of entertainment by Ronnie McCray and his band.

An abstract graphic design on a green background. It features a large black triangle pointing upwards on the left, a black circle with Roman numerals (I-XII) on the left, and a black triangle pointing to the right on the right. A black line extends from the top right towards the center, and another black line extends from the bottom left towards the center. The word "ACTIVITIES" is written in black capital letters in the center.

The Staff worked feverishly, night and day, to make an annual the whole school could be proud of; and it was well worth every minute of it.

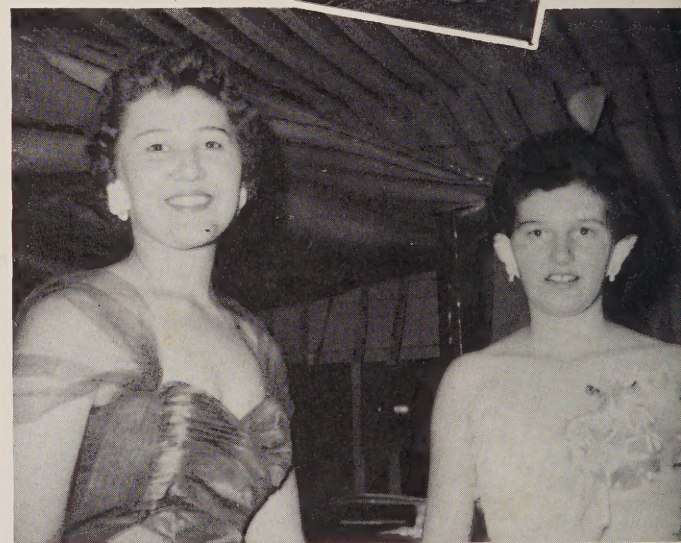

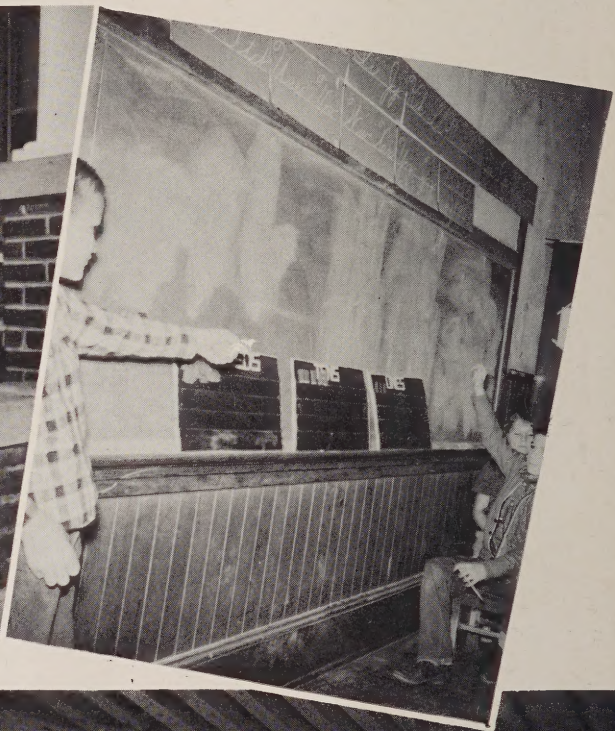

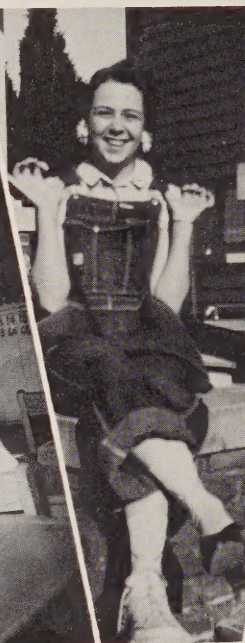

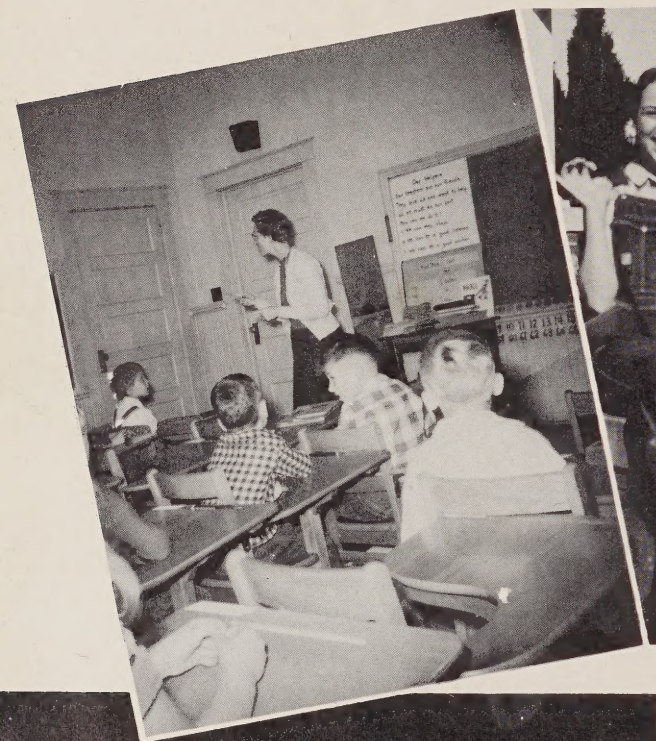

The Staff would like to recognize the valuable assistance of its Assistant Editor, Barbara Slaughter, and its Junior Editor, Blanche Jones. Through hard work and genuine interest, the Staff has produced this book.

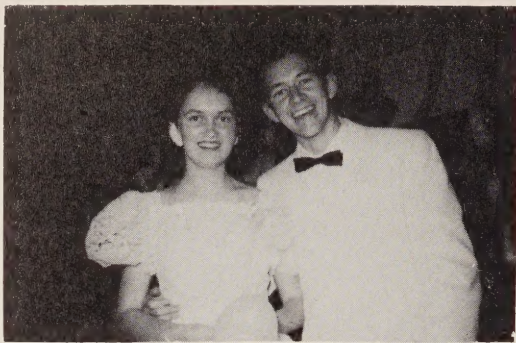

What could this interested group be watching but a football game at Bethel Hill High School. This particular game was the Bethel Hill vs. Helena game during which our team defeated the Helena team 27 to 13. We welcome our Alumni, students, and guests who support our athletic club so faithfully. Everyone contributed to a successful team and game.

Dianne,

You are a very sweet and cute girl. You have a good personality. Stay just as you are and you will be happy the rest of your school years. Always remember our good old skating days. Man, won't they something! We really have had some good times. Don't ever forget Christmas Eve of 1959, when Mary Agnes spent the night with us. We really enjoyed ourselves that night and really every other night that I have kept you, Carl, and Cathy. I know that I will remember our good times for the rest of my life. I wish you the best of luck there is in the future. Again I will say, "Stay ^{as} sweet and as nice as you are and you will always be happy."

Your double-first cousin,
"g"
Fig

P.S. Maybe we can have some more good skating days! Right?
